

WINDOW PANES

The Journey Mission Teams

You will be preparing a four chapter illustrated short story to share a snapshot of who you are with the rest of the group. You can use the list of prompters below to select titles for each chapter of your book.

Once you have selected your prompters, divide a blank chart into quarters and insert one prompter in each of the four sections. Be sure to leave room for your illustrations. Use crayons, markers, or magazine clippings to illustrate each chapter of your book. The quality of the artwork is unimportant! The message your illustrations communicate is what is of interest to the group. **PLEASE USE ONE OF YOUR QUARTERS TO BRIEFLY TELL ABOUT YOUR SPIRITUAL JOURNEY.**

During one of our meetings, you will have 5 minutes to tell your story to the rest of the group. Use both the story and your illustrations to help the rest of the group get to know you better.

Possible Chapter Titles (for your quarters):

- What I do for fun
- What's important to me
- The thing(s) that make me unique
- Things in life I find rewarding
- Things I want to accomplish in my lifetime
- 10 things I am
- My obsession
- What my T-shirt would say
- My greatest achievement
- What would I do if money were no object
- MY SPIRITUAL JOURNEY (required for one)
